CONNECTION OF CHURCHES

30 Days of Prayer Campaign
Instructions

Thanks for being willing to participate in the Bible Methodist 30 Days of Prayer Campaign. Starting on January 1, we will be praying together as an entire Church, seeking God's blessing and power on our churches, and His mighty moving in our nation & around the world.

Here are instructions on how you can lead your church to participate:

1. Order prayer guides.

You can order these 108 page prayer guides to encourage your people to spend time in guided prayer.
To order these 31 Days prayer guides, you can visit:

www.darrellstetler2.com/prayerguide
or email darrellstetler2@gmail.com

Use these coupon codes for discounts:
BMCPRAYER - $1 off one book (13.99/ea)
BUY5 - 5+ books, 20% off (11.99/ea)
BUY10 - 10+ books, 25% off (11.24/ea)
(All prices include shipping & a digital downloadable copy. Allow 2-8 days for shipping & handling.)

2. Set up reminders & communications.

We have created a system of Facebook graphics, and reminder texts that can be sent to all your attenders who sign up to receive them. Here's how you can get those:

- Ask your people to text PRAYBMC to 33222 to sign up for the daily text reminder & inspirational Scripture. This will be run from a central Bible Methodist texting list, you don't have to do anything except sign up.
- If you use Facebook for your church, we are providing graphics to post daily on Facebook or Twitter. These graphics will match the texts that go out each day. You can download these by going to www.darrellstetler2.com/prayercampaign and clicking the link to download them to your computer. They will be in a ZIP file, so you'll need to "unzip" them to post.

3. Announce the Pray Around the World Simulcast.

On January 26, 2020, at 7PM EST/6PM CST there will be a Pray Around the World Simulcast, featuring a devotional by General Chairman Michael Avery, and a structured time of prayer, provided by video.

4. Prepare by downloading the Simulcast video.

If you don't have internet at your church, you can download the video in advance and show it at your church on a computer or laptop. Since we may have some international leaders lead in prayer, it will be important to SEE the video (for English captions) not just hear the audio.
