## Refreshing Fellowship

Bible Methodist Connectional Ministerial provides an opportunity for the ministers of the three conferences of the Bible Methodist Connection of Churches to join together for a time focused on Refreshing our spirits, Renewing our vision, Reviving our hearts, and Refueling our ministries.

It is a wonderful time of fellowship as we share in informal settings, enjoy some relaxing time together sharing meals times, shopping, and enjoying some relaxing recreation. Gatlinburg offers the very best opportunity for these during November. The Christmas decorations are going up, the mountains are still colorful, and the weather is nice! It will be a wonderful time to be together!

Plan to dress up only for the evening services. Dress is casual for all other times.

River Terrace Resort and Convention Center is located within walking distance of the best of downtown Gatlinburg. Bring walking shoes and enjoy Gatlinburg and Pigeon Forge!
