***SPEAKERS***

These speakers will be sharing their life’s story while presenting it from an aspect that focuses specifically on one main idea. This idea will be centered on differing needs among juniors and seniors in high school today.

It is my prayer that this series will be a way for teenagers and younger adults to learn and grow deeper in their walk with God as a result of hearing from some of the best communicators of God’s Word in Holiness Circles today!

***CALL-IN INFO***

In order to connect to our conference call, you may use a cellular or land phone and...

1. Call a long distance USA number (744) 444-7444.
2. When you are connected, there will be an operator who will ask you for your CALL ID and you will enter 89874#.
3. Then, you will hit 1# to be connected to our call. [Note: All listeners will be muted automatically as soon as the speaker is introduced]

***LIVE STREAMING INFO***

Another recent way in which you can connect to our conference call is by going on the internet to [powerlinesunday.blogspot.com](http://powerlinesunday.blogspot.com) and click the “[Listen Online](#)” link at the top right hand portion of the screen. This will allow you to listen and participate by entering text in our chat window.

Listeners online can interact with our POWERLINE via Instant Messaging which will be displayed on the bottom portion of our "[Listen Online](#)" link.

### ***CALL FORMAT***

The call format will be very simple. At 9:30 PM EST Sunday, we will introduce our special speaker who will come on and speak for 15 minutes on a specified topic. We will then open up the lines for a 5 minute question and answer session that will allow our people on the line to ask questions and interact with our speaker. Participation is strictly optional and most people call in to simply listen and take notes. The length of these calls may vary slightly from week to week depending on audience response but I can assure you that they will be run promptly and efficiently out of respect for those who will be taking time out of their day to participate.

### ***CALL HISTORY***

For those of you who know very little about our ministry, Powerline was started in July 2009 by Ezra Byer. Its purpose was to target those (specifically juniors and seniors in high school) who were removed from Christian circles and could use the benefit of being connected to other Christian teens and Christian mentors. Since that starting point we have been able to connect with teens from Ontario, New Hampshire, Virginia, Pennsylvania, Colorado, Florida, Ohio, Kentucky, Indiana, Alaska as well numerous other places. Our speakers have included Pastor Blake Jones, President Michael Avery, Dr. Jana Pop, and many others.

### ***PERSONAL NOTE***

I would love to hear from you on our call and if you would be able to pass along our POWERLINE call info to people of all ages who could use this, I would be very grateful!

In Christ,

Powerline Host *Ezra Byer*
