

Philippine Bible Methodist Missions Update

Summer 2010

“God’s work done God’s way never lacks God’s supply” – Hudson Taylor

Dear Friends,

What an amazing God we serve! He never fails to lead His children in the way He has planned for them. Becky and I are both humbled and challenged by my new responsibility as General Missions Secretary for the Bible Methodist Connection of Churches (elected June 17th). Though we know there are many unique tests which come with this ministry, the Lord has given to each of us His peace. So many things that have confused us throughout this past year of transition have suddenly made perfect sense. Isn't that the way of this walk of faith? We are profoundly blessed as a family to be in the center of His will.

We desire your prayers in the next few months as we enter this learning curve, visit South Africa and Mexico for the first time, work with Marc Sankey and Steve Stetler on plans for a Mexico Institute facility, and help RG and Sarah Hutchison make the transition to the Philippines. Please pray for the Hutchisons as they adjust to missionary life and begin six months of intensive language training.

This summer we were privileged to meet two of our Mexican leaders (Bro. Delores and Bro. Eli) at General Conference, and to host two of our Filipino leaders in our home. We also traveled with them to two of the three Bible Methodist camps and really appreciated their contributions to the mission services. Bro. Brendel and Bro. David taught us how to worship “Filipino style”! And we were all blessed by the presence of the Lord, not only in the worship, but in their sharing the good things that the Lord is doing through their respective ministries.

Steve and Beth Stetler and family, missionaries to Mexico, also joined us for the Alabama missions service, and who could not but feel the heart of Steve and he shared the passion God has given them for the work there. I'm truly looking forward to partnering with the Stetlers as well as Mexico field superintendent Marc and Melody Sankey. I believe that the Lord has some wonderful blessings in store for us in the days ahead as we work together for His Kingdom.

Thanks to Heartland, Alabama, and Great Lakes for your warm welcome and your many kindnesses this summer as we visited your camps. You have been as great encouragement to us!

- Love, in Christ, Tim and Becky Keep
