2010

BIBLE METHODIST  
MISSIONS

## Current Events

### • Back in Mexico

During the summer and fall of 2009 it was our privilege to visit churches throughout the USA and represent the ministry of Bible Methodist Missions in Mexico. Our lives were enriched by the gracious people that we met along our journey.

We were able to spend the Thanksgiving and Christmas holidays with our families in Indiana for the first time in three years. It was a precious and special time for each of us.

We returned to our field of labor in Saltillo, Mexico the first week of January.

What a thrill to be involved in carrying out the Great Commission. To God be the Glory great things He hath done!

## Mission Project Needs

Now that we have returned to our field of labor, we can readily see the needs that surround us. Our Mexican brethren are hardworking and sacrificial and rarely ask for assistance, but here are some of the more obvious needs that we have at this time. These are great projects for your local church, women's missionary society, Sunday School classes or youth groups to sponsor.

- TRACTS
- PIANO KEYBOARDS
- PASTOR'S TRANSPORTATION

One of the most effective outreach tools here in Mexico is tract distribution. Pastors and laypeople frequently ask us for help in obtaining leaflets and Chick Tracts. Mailing us a box of Spanish Tracts or donating finances enabling us to purchase them for our churches would help us to reach those who sit in darkness.

Many of our churches are sadly lacking in adequate musical accompaniment and other amenities. It would be an encouragement to these churches to know they have the support of those in the USA. If you have a keyboard in good working condition consider donating it to the work of the Lord in Mexico

One of the greatest needs of our churches here in Mexico, is transportation. Our people often walk many miles to church. There are frequent revivals, youth rallies and Bible Institute sessions which could be attended by more people if there was adequate transportation. Providing funds for a vehicle which can be used to carry our faithful church planters and parishioners to their house of worship would be such a blessing.

## PrayerRequests

- #1. Upcoming Institute Classes and Youth Convention.
- #2. Increased Spanish language fluency
- #3. Wisdom in ministry decisions
- #4. Positive, spiritual impact in Mexico

## Snapshots From Mexico

Pastor Jose's family desperately need a vehicle to use in pastoral visitation.

Pastor Desi is a faithful minister. He has planted several new churches in southern Mexico.

Kent, Beth, Steve and Maria
