It is my joy to invite you to join us for the Heartland Conference Family Camp. Camp meeting has long been a cherished time for our churches—a time to step away from the busyness of life and gather as a conference family to seek the Lord together. Through faithful preaching, heartfelt worship, prayer, and fellowship, God has consistently met us at camp, strengthened our churches, and refreshed our hearts.

This year, we are looking forward with great anticipation to what God has in store. Our speakers and ministry teams will serve across all ages, with special emphasis on missions, youth, and children, as well as opportunities for spiritual renewal for the whole family. Whether you are able to attend for the entire week or join us for a portion of the services, we warmly encourage you to come and be part of what God is doing among us.

On behalf of the Heartland Conference, we look forward to welcoming you to camp and trusting the Lord together for His continued work in our lives and churches.

In Christ,  
Rev. Chris Cravens  
President, Heartland Conference
