

NEW RELEASE

What Is Your Place in God's Global Mission?

From the opening pages of Scripture to the spread of the gospel across the world today, God has been at work redeeming people from every nation, tribe, and tongue. But where do you fit into that story?

Finding Your Place in God's Global Mission was written to help ordinary believers understand God's heart for the nations and discover their own place in His redemptive work.

You may not be called to move overseas. You may not preach, teach, or lead a missions organization. But every follower of Christ has a place in God's mission. This book will help you think biblically and practically about how you can participate through prayer, giving, serving, sending, encouraging, partnering, and living with a greater awareness of what God is doing around the world.

God's mission is not reserved for a few—it is the calling of every believer.

The question is not if you have a place, but where.

Take time to read, reflect, pray, and ask how God may be calling you to participate more intentionally in His global mission.

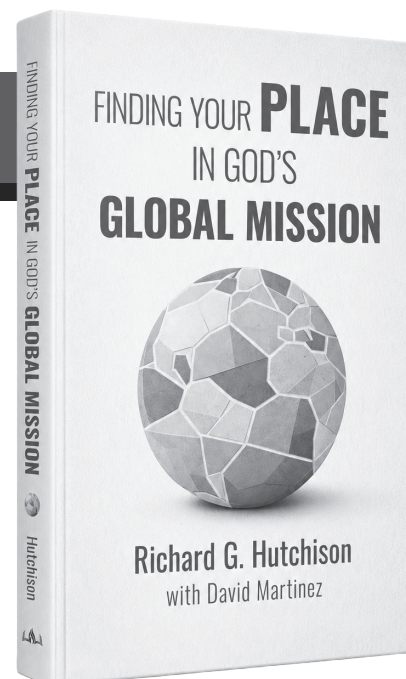

"Finding Your Place in God's Global Mission is an essential resource for every believer."
